

Junior Information Security Officer

Reference Number: JISO1022

The Role:

You will contribute to the implementation and maintenance of the organization's information security program to ensure that people and information assets are adequately protected. You will also be responsible for assessing and assuring the information security of third-party suppliers and ensuring compliance with the company's security standards.

The main responsibilities of the position include:

- Align with the company's Information Security Program regarding security policies, procedures, standards, guidelines, and regulations
- Identify and address security issues with systems, applications, and software
- Conduct due diligence of third-party service providers' security controls, posture, and products, and ensure compliance with the company's policies and standards
- Perform security assessments on third-party software and service providers, such as cloud services, technology vendors, or any other outsourced services to identify potential risk
- Work with the Legal Department to ensure that third-party contracts and service agreements contain adequate information security contract provisions

Main requirements:

- BSc/MSc in Information Security or any other related field
- 1–2 years' experience in a similar role
- Skills in areas of Information Security such as operations, network, systems, and application security
- Understanding of third-party and software information security threats and vulnerabilities, and measures against them
- Knowledge and understanding of common security frameworks and standards, such as NIST CSF, NIST 800-53, ITIL, ISO 27001, COBIT, etc.
- Familiarity with the European General Data Protection Regulation (GDPR)
- Excellent written and oral communication skills in English and Greek
- Analytical and problem-solving skills, attention to detail
- Strong interpersonal, organizational and teamworking skills

Benefit from:

- Attractive remuneration package plus performance-related reward
- Private health insurance
- Corporate pension fund
- Intellectually stimulating work environment
- Continuous personal development and international training opportunities

Type of employment: Full time

Location: Limassol or Nicosia
