

Global Competition - Young Tax Professional of the Year

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets. We are a global leader and one of the world's leading professional services firms, with over 320,000 people across over 150 countries.

Through our coaching, you'll develop the skillsets you need to stay relevant in today's and future's Tax world.

Your next exciting adventure awaits in the "Young tax professional of the year" competition

By participating you will have the opportunity to participate in a unique global competition for Tax and compete with the most brilliant students and young professionals that share the common passion for Tax, on a local and global level.

You be given the chance to expand your network, change ideas, meet people of different culture & enhance your knowledge of the Tax sector.

Throughout the whole procedure you will have the support of EY's top leaders and coaches providing you with an unparalleled way to take your steps of your business life.
