

BioSTART Fellowship 2026

# €20–30K

## Non-Dilutive Funding

for Early-Stage Biotech Ideas

Many promising biotech ideas stall between research and early validation.

The BioSTART Fellowship by BioInnovation Greece helps bridge that gap.

### What you get

Non-dilutive PoC  
funding

Structured training

Hands-on  
mentorship

Industry &  
investor exposure

### Who should apply

- PhD students or postdocs
- Early-career scientists or clinicians
- University-affiliated innovators
- Pre-startup teams with no prior funding

### Timeline

- **Deadline: 16 March 2026**
- Training begins: April 2026
- PoC execution: June 2026
- Final showcase: October 2026

**Apply by 16 March 2026**
